Still many openings in March classes. Some of these classes won't be offered again until the fall. April classes will go on sale tomorrow at 1 pm. Many instructors are leaving the area for the summer and/or dealing with personal issues so offerings and enrollments are down. We will use the summer for revamping course offerings.

Programs: Debbie Dennis

April will be our last General Meeting until the fall. Program is still being worked on. Anyone who would like to help with Programs, please drop me a note.

Lisa Taylor Director of the Beaufort Memorial Telecare program is going to share what that is all about. We thank her very much for coming to present to us today.

Respectfully submitted,

Brenda Sommerfeld, Secretary
