

Sun City Hilton Head Computer Club

**Minutes of the General Meeting
September 19, 2019, 3:00 PM
Pinckney Hall**

Opening Remarks: Bill McKinnery

Hi Everyone, glad to see all the snowbirds that have returned. Your Club continues to grow and improve. The growth and improvement is the result of our dedicated volunteers who give their time to make things happen. I'm sure most of you are aware the Club Fair is coming up on October 5th. We hope most of you will renew your membership online using your CAM number because that really helps Carol Treanor our Club Treasurer.

Secretaries Report: Approval of minutes from our last meeting. Motion, seconded, approved.

Committee Reports

We started August with a checking account balance of \$17,622. We took in income of \$235 and spent \$4,663 which includes renewal of our

Ancestry subscription for \$3,191, hardware of \$1,054 and \$418 for printing supplies. As of August 31st, we have a checking account balance of \$13,195, which when added to a CD of \$21,019 gives us total assets of \$34,214.

Monitors: Bertha/Ed

Education: Debbie Dennis

Classes will be open for preview tonight at 6 PM. Go to the Club website, click on October link and you will be taken to Eventbrite--the service several clubs use to manage their classes. It is not associated with Sun City, so you have to use a credit card. Classes will go on sale tomorrow MORNING at 8 AM. There is no registration help at 1 PM any longer. Just a reminder that KK tomorrow will be in Magnolia Hall and Catherine Tracy will be talking about YouTubeTV. We were moved by CAM because of the Capital and Reserve Expenditures Town Hall Meeting.

Programs: Debbie Dennis

We are working on a variety of topics ranging from Verizon and 5G, TD Bank and Online Banking Safety, Tech Innovations in Dentistry (and other medical), and more. Anyone interested in working on the Program Committee or if you have an idea for a presentation, please let me know.
