

## Sun City Hilton Head Computer Club

**Minutes of the General Meeting  
February 27, 2020, 3:00 PM  
Pinckney Hall**

### **Opening Remarks: Bill McKinnery**

Good afternoon everyone. This is a rather special meeting where the staff and the SIG leaders get to provide you with some information and answer some of the frequently asked questions that come up all the time.

Before we get started on the FAQs I want to mention the Club has developed/updated a survey document for the membership. As some of you know, the Club tries to survey the members once a year to determine how we can improve the Club and be more helpful to you. When you receive an email from me, you will be able to click on a link that takes you to the survey. When I did the survey it only took 1 hour and 43 minutes to complete but since most of you are much faster than me I'm sure you will be able to complete it in about 5-10 minutes.

**Secretaries Report:** Approval of last month's meeting minutes. Motion made, seconded, approved.
