

Sun City Hilton Head Computer Club

Minutes of the General Meeting

Pinckney Hall

February 17, 2022, 2:30 p.m.

Opening Remarks: Mark Davis

I'm so pleased that we are able to meet again in person. The health and safety of our membership is our first priority. Your Governing Board has been watching the Positivity Rate of Covid-19 in Beaufort and Jasper County and our decisions to meet in person or by Zoom are based on this percentage. I want to thank the members that have stepped up to monitor the open room, serve on the facilities committee, chair our SIG meetings, teach classes in the Classroom, our Class Assistance, Walk-in Help Volunteers and all other volunteers serving on committees and those working in the background to keep everything running as smoothly as possible. All of these services are vital to our mission to provide services to our members, especially during a pandemic. If you are a club volunteer please stand and be recognized at this time. Thank you for your service! I'll end by saying we are always looking for new volunteers to assist the club. If interested please email me following on of the email I send out weekly.

At this time I need a motion to approve our minutes from the Zoom meeting on January 25, 2022. Do I have a second? Is there any discussion? Lets vote.
