## **Education:** Mark Davis

During January we offered 9 classes between Tuesday, January 16th, and Tuesday, January 30th, with 119 members in attendance.

In February we are offering a total of 18 classes covering a wide array of subjects. We started booking classes in March and hope to have our offering completed in the next week or so. On our website, [SunCityCC.org](http://SunCityCC.org), under the Calendars Tab then the Classroom/Classes subtab, you will be able to see all of our February and March classes with registration links. We advertise new classes each Thursday through our “Education Weekly” email sent out at approximately 11:00 a.m. Registration for each class automatically closes when the limit for the class has been reached.

### Treasurer’s Report

Our opening balance for January was \$35,193. During the month, we had an income of \$8,013.00 and expenses of \$1,190. Membership dues collected for the period were \$5,485, and education classes provided \$2,215 during the period. Expenses were predominantly spent in the area of software subscriptions, which amounted to \$523, and printing supplies, which amounted to \$365. The closing balance for the month was \$42,016.

Our \$20,000 CD matured in January, and we received interest in the amount of \$580. We rolled the full amount over in another 5% CD for 6 months. I would like to ask the board to consider putting another \$10,000 into a CD for 6 months. I believe we have that excess cash available.
